

EDGE. BOX

This illuminated LED fire exit sign comes complete with 4 green running man legends; Up, Down, Left and Right directional arrows. The LED box style is typically installed above a doorway but can also be installed on other wall locations.

- ✓ 6000K, Daylight White
- ✓ Legends can be installed either side of unit
- ✓ 25M Viewing distance
- ✓ 3hr Emergency maintained and non-maintained
- ✓ Up, left, right and down legends included

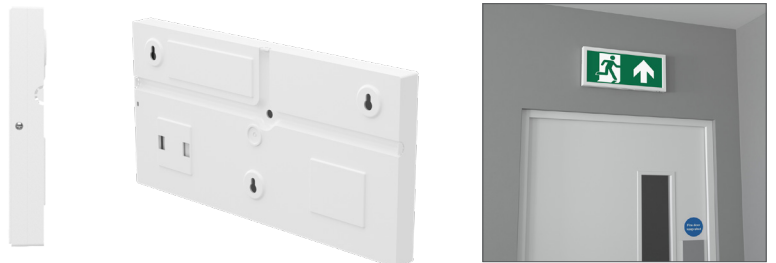

2021 No. 1095

Technical Specification

Product Details		Construction		Electrical Data		LED Data	
Range Variants	Surface / Suspended / Recessed / Exit Box	Case Material	Polycarbonate	Voltage	220-240V AC	LED Type	SMD
Applications	Commercial or Semi-Commercial	Case Colour	White / Silver	Frequency	50/60Hz	LED Microchip	2835
Installation Options	Doorways / Emergency Escape Routes	Diffuser Material	Polycarbonate	Wattage (illuminated)	3.0W	Lumens	200 lm
UKCA & CE Compliant	Yes	Diffuser Colour	Clear	Battery Type	LiFePO4	Lumens per watt	46.67 lm/W
RoHS Compliant	Yes	IP Rating	IP20	Battery voltage	3.2V 1500mAh	Lms in Emergency mode	140 lm
Guarantee Period	2 years (fitting) 1 year (battery)	Impact Protection	IK06	Emergency Wattage	3.0W	Colour Rendering Index	>=85 CRI
		Dimensions	190mm (h) x 390mm (w) x 30mm (d)	Battery Life	>3 hours	Colour Temperature	6000K (Daylight White)
		Weight	1.00 kg	Power Factor	0.9 pf	Instantaneous Illumination	Yes: <1 second
		Operating Temp (°C)	-5 to 40 °C	Earth Protection	Class II	LED Lifetime	25,000 hrs
		Viewing Distance	25M	Driver	Integrated		
				Dimmable	No
